*Ref. Colorado Air Act & Colorado First Regular Session – 74th General Assembly – “Emissions” -
<https://leg.colorado.gov/content/emissions>*

Colorado State Statutes require all applicable Colorado Registered Drivers purchasing an applicable vehicle to show proof of a valid Emissions Test to register a newly purchased vehicle in Colorado. You must bring your new vehicle to any Licensed Inspector in Colorado to obtain an Emissions Test to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with Colorado State Law by assisting and producing the Colorado Emissions Test. Any delay with assistance will result in late penalties from the State of Colorado and/or legal action.

I understand that my involvement is required and necessary to complete/produce/acquire the Colorado Emissions Test and I acknowledge that delays on my part will result in additional state taxes and fees.
