Ref. [www.cga.ct.gov](http://www.cga.ct.gov) – Topic: *Automobile Inspection – 98-R-0012 10/01/2003*

Connecticut State Statutes require all Connecticut Registered Drivers purchasing a vehicle that has not previously been registered in Connecticut to show proof of a valid VIN Inspection to register a newly purchased vehicle in Connecticut. You must bring your new vehicle to any Licensed Inspector in Connecticut to obtain a VIN Inspection to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with Connecticut State Law by assisting and producing the Connecticut VIN Inspection. Any delay with assistance will result in late penalties from the State of Connecticut and/or legal action.

I understand that my involvement is required and necessary to complete/produce/acquire the Connecticut VIN Inspection and I acknowledge that delays on my part will result in additional state taxes and fees.
