Ref. 2023 Florida Statutes - Title XXIII Chapter 319 – Title Certificates – 319.23 (1)-(12)

Florida State Statutes require all applicable Florida Registered Drivers purchasing a used vehicle show proof of a valid VIN Inspection to register a newly purchased vehicle in Florida. You must bring your new vehicle to any Licensed Inspector in Florida to obtain a VIN Inspection to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with Florida State Law by assisting and producing the Florida VIN Inspection. Any delay with assistance will result in late penalties from the State of Florida and/or legal action.

I understand that my involvement is required and necessary to complete/produce/acquire the Florida VIN Inspection and I acknowledge that delays on my part will result in additional state taxes and fees.
