

Kansas VIN Inspection Disclaimer

Ref. 2012 Legislative Session, Chapter 8 – Article 1 – Section 16a: Vehicle Identification Number General Provisions.

Kansas State Statutes require all applicable Kansas Registered Drivers purchasing a vehicle with an out-of-state title to show proof of a valid VIN Inspection to register a newly purchased vehicle in Kansas. You must bring your new vehicle to any Licensed Inspector in Kansas to obtain a VIN Inspection to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with Kansas State Law by assisting and producing the Kansas VIN Inspection. Any delay with assistance will result in late penalties from the State of Kansas and/or legal action.

I understand that my involvement is required and necessary to complete/produce/acquire the Kansas VIN Inspection and I acknowledge that delays on my part will result in additional state taxes and fees.
