§ 23-107 - Inspection certificate required for vehicle to be titled and registered

Maryland State Statutes require you to complete a Maryland VIN Inspection with your local tax office to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with Maryland State Law by assisting and finalizing the Maryland VIN Inspection. Any delay with assistance will result in late penalties from the State of Maryland and/or legal action.

I understand that my involvement is required and necessary to complete the Maryland VIN Inspection and I acknowledge that delays on my part will result in additional state taxes and fees.
