

Nevada Smog Inspection Disclaimer

Ref. NRS 445B

Nevada State Statutes require all applicable Nevada Registered Drivers purchasing a vehicle show proof of a valid Smog Inspection to register a newly purchased vehicle in Nevada. You must bring your new vehicle to any Licensed Inspector in Nevada to obtain a Smog Inspection to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with Nevada State Law by assisting and producing the Nevada Smog Inspection. Any delay with assistance will result in late penalties from the State of Nevada and/or legal action.

I understand that my involvement is required and necessary to complete/produce/acquire the Nevada Smog Inspection and I acknowledge that delays on my part will result in additional state taxes and fees.
