*Ref. NM Stat § 66-3-7.1 (1996 through 1st Sess 50th Legis)*

New Mexico State Statutes require you to complete a New Mexico Emissions Test with your local tax office to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with New Mexico State Law by assisting and finalizing the New Mexico Emissions Test. Any delay with assistance will result in late penalties from the State of New Mexico and/or legal action.

I understand that my involvement is required and necessary to complete the New Mexico Emissions Test and I acknowledge that delays on my part will result in additional state taxes and fees.
