*Inspection of Vehicle Identification Numbers*

Oregon State Statutes require all applicable Oregon Registered Drivers purchasing a vehicle show proof of a valid VIN Inspection to register a newly purchased vehicle in Oregon. You must bring your new vehicle to any Licensed Inspector in Oregon to obtain a VIN Inspection to legally title and register your new vehicle. For proper registration and/or lien filing for your bank, you must comply with Oregon State Law by assisting and producing the Oregon VIN Inspection. Any delay with assistance will result in late penalties from the State of Oregon and/or legal action.

I understand that my involvement is required and necessary to complete/produce/acquire the Oregon VIN Inspection and I acknowledge that delays on my part will result in additional state taxes and fees.
